

FLUOR

COMMUNICATORS

SUMMER 2024

A Letter from Aditya

President 2023-2024

As we close another chapter in our club's history, I reflect on my incredible journey as your Club President. With heartfelt gratitude, I thank you for your dedication and spirit, the cornerstone of our success. This year has been extraordinary, with flourishing membership, soaring engagement, and growing participation, showcasing our vibrant community.

10 years President's Distinguished Club! Celebrated 45 years at Fluor Calgary. Strong team & member passion fuels our supportive environment for exploring public speaking & leadership, embracing risks for mastery.

We've prioritized the joy of learning and camaraderie, with laughter and light-hearted moments defining our essence. I trust our incoming executives and members to continue this legacy of passion and purpose.

Thank you for making this year unforgettable. Here's to many more years of success, growth, and fun!

With deepest appreciation,

Aditya

Reflecting on 'Find X' speech by Arobo Ako

Life's twists shape our path. The unknown future is daunting, yet the past reveals a journey perfectly leading us here.

Just like driving, sometimes we slow down for life's curves, and one gear can't get us far. In a car, shafts "mesh" to connect the engine to wheels. Similarly, in life, "meshing" with others is key.

Once I thought procedures ensured smooth operation, but now it's about people.

The people around us synchronize our efforts, ensuring everything works harmoniously to move us toward our goals. These people add value to life, helping us reach our destinations at the right pace.

I'm grateful for sharing this journey with you and hope you continue to mesh and thrive, ready for every opportunity.

Meet the New Executives!

4 Crucial Tips for Good Public Speaking

1 Know Your Audience

Tailor your speech to their interests, background, and expectations for a powerful impact.

2 Practice, Practice, Practice

Practice makes perfect! Rehearse your speech often for a confident delivery.

3 Organize Your Content

Stay clear, stay focused! Organize your speech with an intro, body, and conclusion for a smooth flow.

4 Engage Your Audience

Engaging your audience is crucial to keeping their attention and making your message memorable.

A Letter from Jiaan

President Elect 2024-2025

The 2023-2024 Toastmasters year flew by! From a summer sizzler and joyous winter holidays to celebrating our 45th anniversary and unlocking our potential, this year has been historic and extraordinary.

Our club has achieved President's Distinguished Club for 10 consecutive years! This remarkable feat is thanks to our 2023-2024 officers and all of you, my fellow Toasties, for maintaining a legacy that anyone would love to join. As we end the year on a high note, let's reflect on the dedication, passion, and hard work everyone has contributed to our club's success and each other's development.

Summer is here! Take the time to enjoy the amazing weather, spend time with your dear friends and family, relax, and unwind. Of course, there is the opportunity for you to continue improving your communication skills over the summer through our Sunshine Club meetings.

The Fluor Communicators club is not just another Toastmasters club. It is a village and a vibrant community where we can embark on this journey together, learning and raising each other up with every speech, evaluation, and meeting role that we take on.

Your dedication, support, and enthusiasm are the foundation of our success. Have a great summer, stay warm and toasty, and I look forward to the new Toastmasters year with you!

Cheers,

Jiaan
